RE: Response to April 26, 2013 Inquiry Letter (C00542779)

Dear Ms. Benitz:

This letter is in response to an inquiry I received on behalf of my client, NextGen Committee (C00542779).

The inquiry questions the election designation on a 24 Hour Report filed on April 22, 2013. Due to a software error, the election designation was marked as "other" and "special 2013" did not appear on the line next to the "other" box. We have corrected this error and have filed an amended report showing the correct election designation.

If you have any additional questions, please feel free to contact me.

Very truly yours,

OLSON HAGEL & FISHBURN LLP
